

## Luxe sideboard

## Luxe

The Luxe series is designed by the Danish designer Michael H. Nielsen, and comprises an elegant series of storage furniture and bar cabinets. All designs feature the most beautiful herringbone pattern, which magically seems to reflect the light and bring the design to life. All drawer modules are equipped with soft-close functions, and the smaller modules can be mounted on a metal frame or hung directly on the wall. An elegant design, with functionality and visual appeal that go hand in hand.
